

June 3, 2025

It's the final countdown! We only have 3 days remaining before we are off for the summer, then our students will return as JUNIORS! Time is definitely flying by, so I wanted to share some updates on this final week and look ahead to and through the summer. Before we know it, we will be back together on September 2.

THIS WEEK

Tuesday, 6/3-Today and tomorrow, advisors are [distributing updated copies of Course Request forms](#). Please check to make sure that the forms represent the discussions and requests made so far in this process. At this point, we are checking for errors or omissions, not making new requests, as sectioning and staffing are now complete.

- Advisors will also remind any students with outstanding library materials or athletic uniforms what they need to return by Friday. [If students have outstanding library materials or uniforms, they will not receive a yearbook.](#)

Wednesday, 6/4 - [Final regular day of classes](#). Students should make sure that they have completed any outstanding work by this day. Check MyDE, Google classrooms, and consult with instructors if you are unsure about missing work or assessments. Make arrangements to complete missing work ASAP so that grades can be calculated over the weekend.

Thursday, 6/5 - [Field Trip Day!](#) It came down to the wire and a choice between going to see a movie or a visit to American Dream Mall and the class voted. As a result, our day will include morning snacks and activities on campus, planned by our grade reps, until 10:15am. At 10:30, we will board buses to the **American Dream Mall**, for lunch and free time. Activities and lunch are at students' own expense, but we want to make sure that everyone can enjoy the outing, so reach out to me if you have any financial concerns. At 2pm, we will board the buses to return to campus for ice cream and donut treats which The Parents' Association has generously provided. Dismissal is at 3:25pm, as usual, but students can leave campus

once we return from our trip, and do not need to sign out. *If you would like your child to dismiss from the mall directly, please let me know.*

Friday, 6/6 - Last Day (early dismissal) To finish our year together, each class will meet for 20 minutes, there will be a final advisory period, one last Upper School meeting, and then lunch and yearbook signing time. **Buses will depart campus at 1:40pm.**
