

## US Class Dean Update

---

Hello everyone,

It was great to see so many of you yesterday for Curriculum Night! Please find the slides from our presentation attached [here](#) for your reference. I know it was a lot of information, so please feel free to reach out if you have any questions or would like to set up a time to talk about scheduling for next year or anything specific related to your student. It may also be helpful to connect with your child's advisor, as they will be working closely with them throughout this process. With that said, the Course of Study will be released next week, and actual course requests will take place after Spring Break, so there is still time to review options and have thoughtful conversations before any decisions are finalized.

Best,  
Dylan Bryant
