

US Class Dean Update

March 2, 2026

Thank you to all who made it to curriculum night tonight. As promised, [here](#) is the slide deck for the presentation.

I just sent emails to all students missing any portion of their community service hours or paperwork, so it would be a good idea to check in with your child(ren) about it this week to see where they are and what they need to check this requirement off of their lists.

Additionally, if you are interested, [here](#) is a link to last year's *New York Times* article about the Bahamas Spring Break trip that many students from our area schools attend during their senior year. This is the trip I mentioned in my email on Friday.

As always, please reach out if you have any questions. Have a good evening.
