

## US Class Dean Update

April 17, 2026

To the families of the Class of 2028,

Happy Friday! As I've heard from many of you, these past two weeks of scheduling and course requests for junior year have been quite the adventure. Thankfully, final course requests are now in, and students will be bringing home their finalized lists this weekend to be signed and returned to their advisor by Tuesday, April 21. If you have any questions, please feel free to reach out to me or your child's advisor. Students will hear back about their official requests and 6th majors in May.

Yesterday during the assembly period (and for many, continuing into today), advisors met with students to review their interim comments, and grades were released to students at 4:00 p.m. **Interim comments and grades will be available to families today at 4:00 p.m.** During the assembly period, students receive their comments without grades so they can focus on their progress in each course and think critically about their strengths and areas for improvement—not just “what is my grade?” While you will receive both comments and grades together, I encourage you to work with your student to process the narrative feedback so they can reflect meaningfully on their overall progress. While grades are, of course, important, we want to continue emphasizing personal growth and reflection.

I look forward to continuing our work together as we finish the year strong! As always, please feel free to reach out with any questions or concerns.

Best regards,  
Dylan Bryant  
Dean, Class of 2028
