

US Class Dean Update

Happy Friday Everyone,

As we enter the weekend, I wanted to share a few notes with you. I will be sending a full Dean's Memo at the end of the month which covers more specific information about the end of the year and preparation for 26-27 - our Senior Year!

Parent Forum Slide Deck

Thanks to all who attended our Spring Parent Forum last week. If you were unable to attend or just want to review the information shared, [here](#) is the slide deck for your reference.

Q3 Comments and Grades-in-Progress

Comments and grades-in-progress for Q3 will be available for viewing in MyD-E at 4pm. Students received access to their comments yesterday afternoon, and have reviewed them with their advisors. If you have any general questions or concerns, please feel free to contact me. For questions related to a specific course, it is best to reach out directly to the classroom teacher. If you are unsure who to contact or how to proceed with a particular question, please don't hesitate to reach out to me, and I will be happy to assist or guide you in the right direction.

Course Requests/Scheduling

This week, students completed their course requests for next year. Advisors printed out the full list of each student's primary and alternate requests, and sent that form home for your review as a family. [These forms are due, signed by the student and a parent, by Tuesday, April 21.](#) Departments will

begin reviewing placement requests next week and reach out only to students who did not get placed in the course they requested on the week of May 4.

That's all for now. Enjoy the warmer weather and have a great weekend.
